

Memorial Services Set for May 30

The annual Memorial Day Services sponsored by American Legion Post 106 will be Monday, May 30. All person and groups participating are to be on County Road by the cemetery by 9:45 a.m. The services will start promptly at 10 a.m. Rev. Robert Haskel, from St. John's Evangelical Lutheran Church of Grayling, will give the main address.

Upon the completion of services at the cemetery all units will form on County Road and parade via Plum Street and Michigan Avenue to the Court House where the services will be completed at the "Eternal Flame." Mayor Sandy Thompson will address the assembly there.

Hanson Park To Host Shoot And B.B.Q. Sunday

Sunday, May 29, promises to be a big day at Hanson Park for all hunters and gun enthusiasts in the area. The park will sponsor its first annual Memorial Day Turkey Shoot and Chicken Bar-B-Que.

The festivities will get underway at 10 a.m. and continue throughout the day. Shooting events will include black powder events, trap and skeet shooting, pistol events, a running deer target and a dynamite shoot. There will also be air rifle events for the children. For each event, a participant will pay a fee and if successful will win a turkey, a ham, or a chicken.

One event which promises to be a big attraction is the park's field piece, "old Thunder". For a fee, anyone who would like to load and fire the cannon may do so.

Beginning at noon, there will be a chicken bar-b-que which will offer a complete chicken dinner with the chicken cooked over open pit bar-b-ques at the park.

Highlighting the days activities will be the giving away of a Mark V Weatherby rifle or a Charles Daily over-under shotgun. This event will take place at 4 p.m.

Lehman Walkaway Problem Topic For Maple Forest Twp. Meeting

A follow-up meeting on the Maple Forest Township Neighborhood Watch and Telephone Notification System will be held Tuesday, May 31, 7:30 p.m. at the Township Hall.

Problems with Camp Lehman walkaways will be discussed at the meeting featuring Sgt. Paul Smith, of the Crawford County Sheriff Dept., as the main speaker.

Stove Taken in Mobile Home B&E

A \$700 wood stove was reported stolen from a mobile home along M-72 East in Grayling Township.

Crawford County Sheriff deputies said downstate owners of the mobile home discovered the wood stove gone after a neighbor reported a breaking and entering. Entry was made by kicking in the front door.

Memorial Weekend Bazaar at Mini-Mall Features Best N. Michigan Craftsmen

Some of the best artists and craftsmen in northern Michigan will display their work at the Memorial Weekend Bazaar at the Grayling Mini-Mall. Along with arts and crafts, a silent auction with proceeds going to the Milltown Festival will be held. The bazaar will open at 10 a.m. Saturday and 11 a.m. on Sunday closing at 5 p.m. both days. Booths will be located both inside and outside weather permitting. Last year the Memorial Day Bazaar had the best turnout of the season for an arts and crafts show in Grayling.

Avalanche, Banks, CCPT Close Monday

The Crawford County Avalanche, area banks, Crawford County Dial-A-Ride, and most government departments will be closed Monday, May 30, in observation of Memorial Day. Advertisements and news for the June 2nd issue of the

Avalanche should be brought in no later than Friday Noon, May 27th.

Lake Assn. to Meet May 28th

The annual May meeting of the Lake Margrethe Property Owners Association will be held Saturday, May 28, 1983 at the St. Francis Episcopal Church at 10:00 a.m.

All LMPOA members, prospective members and other members of the community interested in the welfare of Lake Margrethe and its importance and impact upon the County are also welcome.

Invited guests, who will bring all attendees up to date in their specific fields of expertise include Mr. Fowler, Grayling Twp. Supervisor, Col. Ivan Gwilt, Commanding Officer, Camp Grayling and Sheriff Joseph White and key members of his staff. A N.E.M.C.O.G. representative (septic snopper) may also attend.

Booster Club To Hold Auction

The Grayling Booster Club will hold an auction Sunday, May 29th at Scheys Country House in the City Industrial Park from 2:00 p.m. till 7:00 p.m.

Proceeds from the auction are for the Fourth of July Fireworks Fund.

Some of the items to be auctioned include food (canned goods), sporting goods, household items and tools. All items are new. The auctioneer will be Mr. Gil O'berly of Flint, Michigan.

Range Firing Conducted

Range firing will be conducted at Camp Grayling during the period 24-28 May and 31 May - 1 June 1983. Firing will be in the following area on the dates and times as indicated.

The Range 40 complex located north of County Road 612, east of Guthrie Lake, south of Old State Road 618 and west of County Road F97 (Twain Bridge Road). Firing will begin at 9:00 a.m. Daily and cease at 5:00 p.m. Daily.

The range will be closed to the public during this period and all persons are warned to keep out of the area identified.

Jones, Martella Named GHS Co-Valedictorians

Grayling High School's top ten seniors for 1983 have been announced by Carl D. Naghtin, senior high principal. These students will be recognized for their scholastic accomplishments at the annual awards assembly scheduled for Friday, May 27, at 9 a.m. with the student body.

Sharing valedictorian honors this year are:

BETH JONES, daughter of James & Claudia Jones. Beth is secretary of the National Honor Society and has been a member for three years. She is also a four year member of the Varsity Track Team. Beth will attend the University of Michigan in the Pre-Medical program this fall. Beth is graduating with a G.P.A. of 3.948.

DAVID MARTELLA, son of Edward and Margaret Martella of Grayling. David has been a member of the National Honor

Society for three years and is currently serving as Vice-President. David has been a member of the varsity ski team for four years and the varsity football team for two seasons. He will be attending Michigan State University in the fall to pursue undergraduate studies in Engineering. David is graduating also with a G.P.A. of 3.948.

SALUTATORIAN honors this year go to KRISTIN ELIZABETH CASLER, daughter of Wayne and Karen Casler of Grayling. Kristin is a two year member of the National Honor Society, and has participated in cheerleading, track and ski team. In the fall, Kristin will attend Michigan State University where she will study Journalism. Kristin will graduate 3rd in her class with a 3.875 G.P.A.

Other members of the top 10 students in the 1983 graduating class will be featured in next week's issue of the Avalanche.

County Working on Last-Minute Moves To Open Hatchery Memorial Weekend

By Jon Thompson

Crawford County Commissioners will try to cut through last-minute snags to re-open the well-known Grayling Fish Hatchery in time for Memorial Day visitors.

Already curious tourists and county residents are stopping daily by the hatchery to peer through fences at a couple hundred of large rainbow trout in the raceways.

Commissioners will try to complete a lease agreement with Flowing Wells Trout Farm for an additional 10,000 rainbow at their Thursday regular meeting. Five hundred of the leased rainbow will be from 11 to 17 inches. The rest would be seven to nine inches long. The rainbow trout already in the hatchery were donated by the DNR and some are close to 24 inches long.

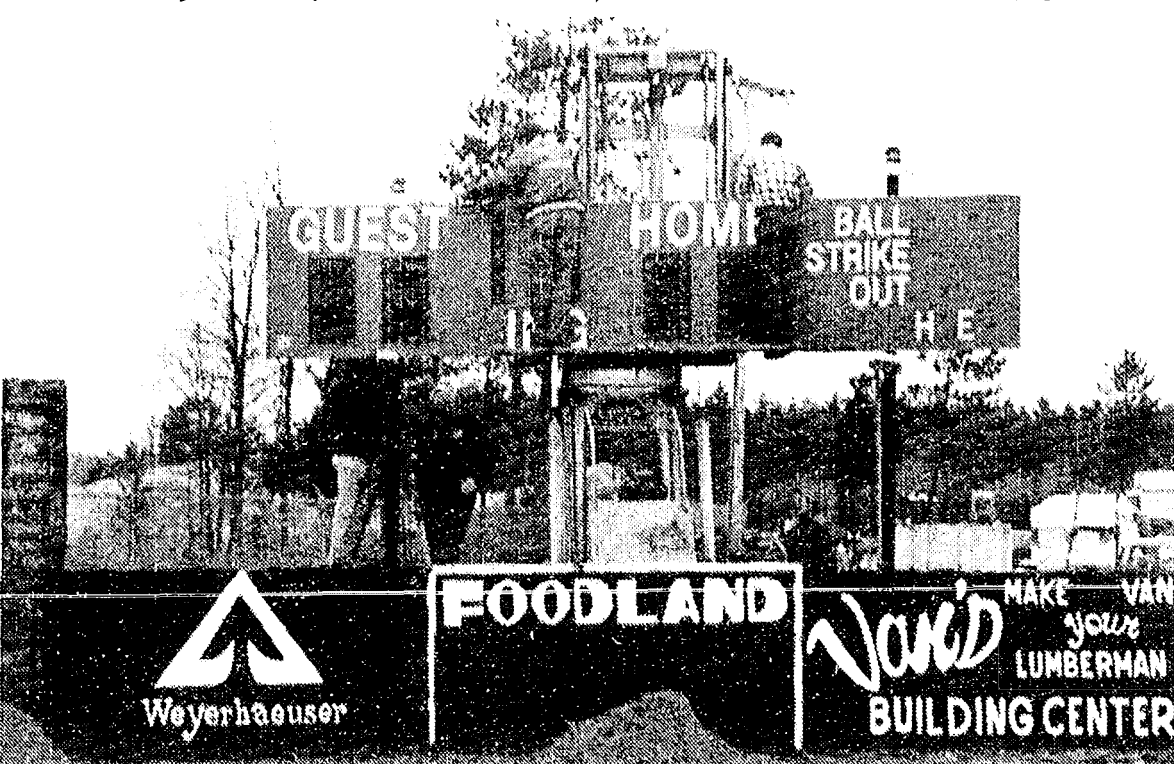

Even if the lease agreement can't be reached by Memorial Day weekend, for the additional fish, Commission-

er chairwoman Jeannette Kitchen said she would like to see the hatchery opened Memorial Day weekend.

Another hang-up is securing watchmen to guard the fish. Under the lease agreement, Crawford County will have to pay for any fish not returned by Sept. 30. Kitchen and other commissioners are working out a program through the Department of Social Services to use welfare workers as night watchmen. Other help to run the information center during the day is being sought through county volunteer programs such as RSVP.

Fish Hatchery Committee Chairman Bob Smock, Jr., says although a delay in obtaining an electrical line to the hatchery building has slowed down some work, the hatchery is ready to open if the commissioners want it to for Memorial Day weekend.

A Memorial Day opening has already been announced in downtown newspapers and radio stations.

BOOSTER CLUB DONATES SCOREBOARD—The Grayling Booster Club donated \$2000 to the Grayling Little League for the scoreboard being put into place last Saturday by (left to right) Bill Ruddy, Harry Wolfenbarger, the president of the Booster Club, Mike Shearer, Duane Halstead, and Larry Ostrowski. Mercy Hospital Offers Cancer Class

The American Cancer Society has designed a Cancer Education Course to help individuals who currently have or have had cancer, and their families deal with the disease. The course, entitled, "I Can Cope" addresses the disease of cancer and provides suggestions on how to cope with it. Mercy Hospital Grayling, in cooperation with the Crawford County Unit of the American Cancer Society, will offer this course beginning June 21, 1983 at 7:00 p.m. in the Fellowship Hall of Mt. Hope Lutheran Church located at the corner of M-93 and Old 27 about 3 miles north of Grayling.

By learning more about the disease and ways to cope

with it, worrisome feelings such as fear, isolation and uncertainty can be better dealt with. Topics covered in the course include basics about our body and how it works, nutrition and exercise, how to communicate about the disease and com-

4 Fined \$420 for Dumping Trash on State Land Here

Three men from Grayling and one from Oxford, Michigan, have been fined \$105.00 apiece for dumping trash on state land in Crawford County.

Cited in the 83rd District Court on March 13, 1983, were George Bryant Masella, 19; and Ervin L. Watson, 18, both of Grayling, and Christopher Edward Snyder, 21, of Oxford. They were cited for dumping a pickup load of trash, including an old washing machine, along the snowmobile trail off of Lewiston Grade Road.

In a separate incident, Floyd L. Argue, 59, of Grayling, was ticketed for dumping a pickup load of trash in the Hanson Game Refuge on April 23, 1983.

All four men were cited by a Conservation Officer.

Schools To Ask For New Attached Middle School

by Jon Thompson

The Crawford AuSable School District will ask voters Sept. 12 for a new middle school attached to the high school.

The school board decided on the attached option Monday after looking at public survey results favoring the attached building.

The board, however, proposed several changes in the attached building option to prevent mixing of high school and middle school students, which was a big concern among many community members.

The board wants to change the bus unloading area for the new middle school to keep it separate from the high school bus unloading area. The new attachment will also have corridors leading to shared home economic and art rooms so middle school students will not have to walk in high school corridors.

Another change is a separate physical education gym for the middle school. The board found out it would be less expensive to build a small new one than add on to the high school gym and a separate gym would further prevent mixing of students.

With all the changes proposed, middle school and high school students will be separated completely except for band and vocal music students who will have to walk down one high school corridor to reach shared classrooms in bad weather instead of using an outside walkway.

The new proposed attachment is estimated at \$4,263,734. The millage on debt retirement to pay off building bonds will be around 3.8 mills if approved.

The public survey of 248 voters showed 50.8 percent favored new construction with 31 percent supporting the new attached building at the high school. Renovation of the 67-year-old middle school was the first choice of 29.4 percent. Voters who refused to rank options because they didn't have enough information, didn't want to say, or didn't like any of the options amounted to 19.8 percent.

More than 63 percent of the voters who ranked the options felt they were very well informed on the options and the Crawford County Avalanche was listed as the major source of information on the issue by nearly 70 percent of the public surveyed.

Thieves Steal 12-Ton Vehicles Off Camp Range

Camp Grayling officials are probably wondering if there is anything thieves can't steal.

On Monday night, May 16, some hard-working thieves managed to cart off nearly 30 tons of military vehicles intended for use as targets on Camp Grayling ranges.

Two and a half armored personnel carriers weighing 12 tons each, along with wheels and tracks from other vehicles, were apparently loaded on a semi-truck trailer during the night and hauled away before 9 a.m. the next morning. Camp officials had parked the vehicles in a secluded area north of County Rd. 612 near Kinney Rd. and they were to be dismantled and placed on ranges for target practice. The metal and parts on the vehicles were estimated to be worth \$8000 to \$9000 for each armored carrier.

The Crawford County Sheriff Dept. issued a state-wide alert for the trailer and military vehicles. They're also canvassing all junk yards in a four-county area.

All guns on the armored carriers were removed by the U.S. Army, who had delivered the vehicles Monday to the camp. A metal saw was used to cut one carrier in half. Police speculate the carrier cut in half filled out a load on the trailer.

Anyone with information about the theft can call the Sheriff Dept. at 348-6341.

State Police, Guards In 'Operation Care'

Michigan State Police emphasis on traffic safety for the Memorial Day holiday weekend Friday, May 27, through Monday, May 30, again will include their participation in "Operation Care", according to department director, Col. Gerald L. Hough.

"Care" funding will permit the State Police to provide over 2,900 additional patrol hours for surveilling holiday traffic. "Care" emphasis will be on 2,600 miles of major interstate and trunkline highways where accident incidence is most serious. The Michigan Army National Guard will assist the State Police by providing helicopters for aerial traffic

watching which will include aerial speed timing of motorists by Guardsmen and trooper observers.

Hough urged resident and visiting motorists in Michigan to exert extra effort by following these guidelines:

Drive at reasonable speeds, ease up at night and during inclement weather. Avoid following other cars too closely. Give proper turn and stop

signals in ample time so that other motorists have advance notice to react safely.

Pass only when it's safe to do so.

Refrain from driving if you have done any immoderate drinking of intoxicating beverages.

Provide and use car safety restraints for motor vehicle passengers.

Be especially alert concerning pedestrians, bicycle and motorcycle traffic.

Leave Wild Baby Animals Alone

The Department of Natural Resources would like to remind all persons who find baby animals in the woods to leave them where they are found.

Removing such animals from their natural habitat means almost certain death for them. Possession of animals removed from the wild is a violation of state law.

GENTLE AS A LAMB—Two and a half year old Katie Olson feeds two small lambs with milk from a bottle at Hillside Farm open free to the public. See story on Page 13.

Memorial Day Specials

Let us pause in our daily routine and say a silent prayer for the dedicated men and women of our armed forces. They fought long and hard in order to uphold the American ideal of peace and freedom. We salute the memory of these brave individuals.

MEMORIAL DAY

"Rest on,
Thou Sainted Dead,
Dear is the Blood
You Gave!
No Impious footsteps
Shall tread
The Memory of your Deed
Nor shall your Glory
Be forgot!
Fame and Honor
Points the Hallowed Spot
Where
Valor proudly Rests!
Sleep on, Sleep on,
Heroes All!!!"

Once again we are approaching one of the most important days of the year...next Monday, May 30th the nation will pay homage to those who gave their lives for their country on Memorial Day...the day one stops and pays respect to those we knew who paid the supreme sacrifice while serving their country in time of need...here in Grayling the American Legion Post 106 will be in charge of the activities for the day...let it be a day we "lest forget" for the many...

When you are reading our corner this week we will be in Rochester, Minnesota with Thelma as she is checked at Mayo Clinic Wednesday morning...at this time we do not know if she will have to undergo surgery or not for an aneurism behind her right eye...

Our daughter Toni, is going with us, I guess grandma thought the ol' fella would get lost in such a big hospital and clinic so I guess she figured I needed help to get around...all this came about when we would get lost in Munson Hospital the last couple weeks when Thelma went through a couple examinations there...

Whether we fill this spot next week will depend on what transpires at Mayo and how long we will have to be out there...so time will tell...

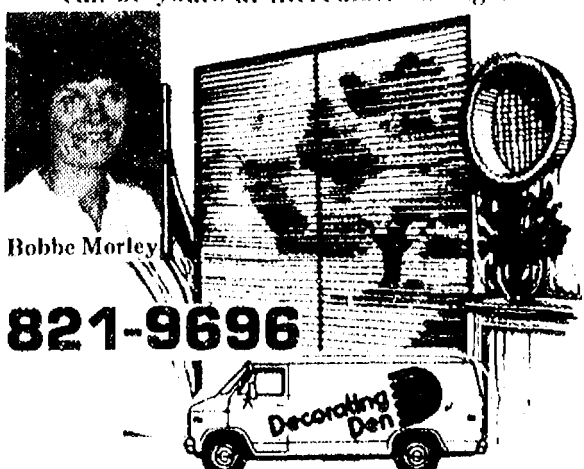

This is going to have to take care of this week's efforts...just too many things to do to get ready to leave for Traverse City Monday afternoon...our flight for Rochester leaves at 7:25 Tuesday morning and no way are we going to stay here until then...so, we will say goodnight to T.J., Stefany and Amber, and to all of our readers...have a nice weekend, and pause a minute on Memorial Day for those who gave...

Mr. and Mrs. Eugene Papendick were in Cadillac recently to attend the wedding of Miss Barbara Benson, daughter of Mr. and Mrs. Walter Benson, to Mr. James Cauley.

Gail Goss was six years old on Thursday, May 19th. Her mother entertained ten little guests at a birthday party Thursday afternoon. Birthday cake and ice cream cones provided refreshments. Gail was a very happy young lady with her many nice birthday gifts.

Mr. and Mrs. Gene Papendick spent the weekend on the Agawa River in Canada, doing some fishing.

Mr. and Mrs. Whitey Madsen and Toni and Dane were in Traverse City Saturday where Thelma was on business for the Pink Lady, buying from the Rose Crest line. They also visited relatives in the evening.

Laurie Sue Ballinger was one year old on May 18th, and to celebrate the occasion a group of little friends were invited in for the afternoon. In the evening, Laurie's grandparents, the Matt Bidvias, entertained with a second party, their guests being her other grandparents, Mr. and Mrs. Jack Richards and children Linda and Jackie, Mr. and Mrs. Harry Hoerl and daughter Shirley, and of course, Laurie's parents, the Russell Ballingers.

Word has been received by the Fred Bears, foster parents of Capt. and Mrs. M.J. Steger, U.S. Air Force Academy, Colorado, of the birth of a son Frederick Bryon, on May 21st.

Mrs. Glen Fenton and daughter Peggy, and Miss Jill Miller of Kalkaska, were in Lake City for the afternoon recently to visit Mr. and Mrs. Keith Clark there.

Born to Mr. and Mrs. John Rolfe a baby girl, Monday, May 18th, at the Gaylord Hospital. She will be known as Ann Marie. The little lady tipped the scales at 6 lbs. 1 oz.

Born to Mr. and Mrs. Dean Tobin of Saginaw, a son, May 21st. The young man weighed in at 9 lbs. 9 oz. Mr. and Mrs. Max Tobin are the grandparents, Mr. and Mrs. Jim Tobin of Frederic, Mrs. Wm. Wixson of Cheboygan the great grandparents. He will answer to Christopher Dean.

On US-27, seven miles north of Grayling, is located the site of the new Animal Land Zoological Park, which plans to open on June 15th.

The Zoo layout will include an artificial stream bordered by a stone walk leading to the animal pens, which will be scattered through the woods. Each animal will have its own shelter and pen.

David Wyss, 7, son of Bill Wyss of Grayling, caught two bonefish April 20th. David caught the fish from the Ocean Reef Club on North Key Largo in Florida and holds the club record for his age with a 9 lb. 4 oz. fish. His dad said David boated the two of them all on his own without a bit of help. Mr. Wyss guides out of the Ocean Reef Club during the winter.

The "Grayling Restaurant", a new

eating place in the city, will be opened to the public Saturday in the former Grayling Hardware building. Mrs. Sadie Bobenmoyer and Mrs. Daisy Barnett are the proprietors, and as both have long resided in Grayling they need no introduction, and as for being good cooks we believe they would be hard to excel.

Jack McClain is assisting as clerk at the Connine grocery.

Mrs. A.J. Nelson and daughters Barbara and Majorie spent the weekend at Houghton Lake.

Amos Hoesli, who has been operating a gas station at Frederic, is home again, assisting his father, Chris Hoesli.

Miss Beverly Schaible, employed by the Resettlement Administration, is leaving today to do some stenographic work at Cadillac.

Kenneth Hoesli and Dan Woods of Gladwin attended the junior prom Friday night here.

Miss Effie Hunter of Flint and William Hunter of Durand visited at the parental home Sunday.

Mitchell Kujawa, who has been the baker at Grayling Bakery for some time, has gone to Cincinnati to visit relatives and later will return to Alpena to take a baking job.

Mrs. Annabelle Stephan, local chief operator of the Tri-County Telephone Co., attended a traffic conference held in Alpena Wednesday.

Miss Agda Johnson is the new bookkeeper at the Rehkopf Plumbing shop.

Otto Peterson got his limit of trout, all Brooks, on the AuSable Sunday. It's the first time he has gotten the limit in two years, so he tells us.

Otto Failing, caretaker of the Game Refuge on Lake Margrethe trapped a mother coyote and five little ones recently. He also is caring for a deer fawn about eight days old.

Mr. and Mrs. Emil Niederer are receiving the felicitations of their friends on the birth of a son, Emil Clarke, at Mercy Hospital Thursday. The new ice man tipped the scales at 9 lbs. 12 ozs.

Mr. and Mrs. Charles Hewitt and son Fletcher Charles of Detroit, and Mr. and Mrs. J.E. Fletcher and Miss Audree Hewitt of Lansing, were weekend guests of the George Schaible family.

Perched within a pillow-laden canoe on the AuSable river and singing in harmonious chorus, "Sit Down, Sit Down, You're Rocking the Boat," four young people last Sunday morning took a dive into the chilly waters. One of the fair occupants had shifted her gum, and another had choked from a frog in her throat, and the canoe acted just like any other good canoe would act under such treatment, just as the admonitory tones of the song were smothered in the rush of the chilly waters. As the sofa pillow floated down stream four badly frightened young people struggled to the shore from the waters that were more chilly than deep. And to add to the discomforts the elements began pouring down a torrent of rain thus breaking up what might have been a pleasant day on the river.

The Bible Speaks

From Calvary Baptist Church

A CITIZEN LIVING BEFORE GOD

Romans 13:11-14

The Bible has told us how to live as citizens in our relationship to government leaders in Romans 13:1-7; to fellow citizens in Romans 13:8-10; and now toward God in Romans 13:11-14.

1. Be alert as a citizen! "And that, knowing the time, that now it is high time to awake out of sleep; for now is our salvation nearer than when we believed." Romans 13:11. We are moving towards the end of the age as described in 2 Timothy 3:1-7. Today is no time for Christian citizens to show apathy and indifference toward the decay within our society.

2. Be armed with the truth! "The night is far spent, the day is at hand; let us therefore cast off the works of darkness, and let us put on the armour of light." Romans 13:12. "Put on the whole armour of God, that ye may be able to stand against the wiles of the devil. For we wrestle not against flesh and blood, but against principalities, against powers, against the rulers of the darkness of this world, against spiritual wickedness in high places." Ephesians 6:11, 12. Not only does the Bible require this of us, but our President Reagan has declared 1983 the year of the

Bible and called upon all Americans to read the Bible and pray as a solution to our problems.

3. Be actively involved in promoting righteousness! "Let us walk honestly, as in the day; not in rioting and drunkenness, not in chambering and wantonness, not in strife and envying. But put ye on the Lord Jesus Christ, and make not provision for the flesh, to fulfill the lusts thereof." Romans 13:13, 14. Stop living a selfish life of self-seeking pleasure and greed, and start allowing Jesus Christ to live His life out through your body.

We live in an age when Christians in general are characterized by an attitude of apathy and non-involvement in civil affairs. The efforts of some groups like the Moral Majority have awakened a few Christians, but many are still asleep. Christians ought to be the best citizens in the world. We are Americans as well as Christians. (adv.)

Anna LaMotte Passed Away Saturday
Anna M. LaMotte, 70 of Grayling passed Saturday, May 21, 1983, at Mercy Hospital. Funeral services were held at 1 p.m. at Sorenson Funeral Home with Elder Jay Doty and Elder Roy Newberry officiating, with burial in Elmwood Cemetery.

Mrs. LaMotte was born in Deward, Michigan, on November 2, 1912, to Clarence & Margaret Ingalls and has been a resident of Grayling for 60 years. Her husband Walter preceded her in death in 1959.

She is survived by seven sons; Walter, Jr. of Flint, Clarence, Gerald, Donald and Larry all of Grayling; Roy of Grand Ledge and Tommy of Ft. Myers, Florida, one step-son Baward LaMotte of Keysville, Virginia; two step-daughters; Waltine Williams, of Levering and Earling Johnson, of Dowagiac, one sister, Manola Orvis, of Flint, 32 grandchildren, 30 great-grandchildren, and one great-great-grandchild.

Palbearers were Duane LaMotte, Ed LaMotte, T.L. LaMotte, Edson Ingalls, Billy Kellogg and Terry Williams.

Memorial Services for Wilma Ludeman

Wilma Ludeman died March 30, 1983 in Arizona, age 78 years. She was born April 30, 1904 in Germany, immigrated to the United States in 1930 and became a United States citizen in 1935. She married John Ludeman in 1933. They moved to Grayling in 1945 from Toledo, Ohio.

She is survived by her husband, John of Grayling, her son, Frank of Denver and four grandchildren. Wilma was an active member of the Michelson Memorial United Methodist Church and the United Methodist Women's group. She also was active in the Mercy Hospital Auxiliary and other community organizations.

Memorial Services will be held at the Michelson Memorial United Methodist Church on Saturday, May 28th at 1:00 p.m., Rev. Jeffery Regan officiating.

Hazen Earns FSC Degree

Karen B. Hazen received her B.S. degree in Business Administration May 14, 1983 from Ferris State College.

Those attending the exercise were Mr. and Mrs. Thomas Hazen, Ida Rothman (grandmother), and Mr. and Mrs. Richard Mansfield.

THANK YOU

My thanks go to Dr. Blaha and nurses for their care and to friends and relatives who sent cards, flowers, & gifts during my stay in the hospital.

The New Dream

By Rev. Thomas A. Bruno
Minister of
The Congregational Church
Roscommon

Don't share your dreams with everyone! Not everyone will believe in your dreams, so why have them quench your aspirations? It is a common mistake of naivete we make, thinking everyone will be excited about the same visions.

Find a dream-sharer! If you are married, hopefully it will be your mate. After all, that is the person who shares most of all life with you. How disappointing to hear a husband or wife say his or her mate does not share the same dream. What a waste! That one single place where you should be gathering your greatest strength from each other turns out to be something you cannot count on.

I tell people not to be discouraged about this. There are other dreamers out there and they as well are looking for people to SHARE their dreams with. The dreamers of the world are looking for each other and they shall surely find each other. If you are fortunate as I am, you will have more than one dream-sharer. It begins with my wife and goes all the way down to my secretary. There are others who surround me with their support even when I don't deserve it. But they are still there to encourage my dream.

Perhaps you have never thought of it in this way, but the disciples were the dream sharers. With the 12 disciples, He shared His greatest hopes and aspirations, yet even one of them didn't believe.

The Sermon on the Mount was not meant for the crowds. It is recorded He went up on a mountain (away from the crowds) and sat down and His disciples came to Him. To his dream sharers, He began His greatest message:

"Blessed are the poor in spirit..." Jesus realized that only a few would understand His dream for all mankind.

Don't waste your dream! Don't let anyone steal it! Share it with someone who will help you to nurture it and make it become a reality.

RESIDENTS OF BEAVER CREEK TOWNSHIP

There will be free drop days at the dump yard on May 28, 29, 30. For all white materials: refrigerators, stoves, etc. Please, no gas tanks or auto parts to be accepted.

Little League Begins Fundraising

The Grayling Little League held its Annual Fund-Raising Kick-Off meeting last Monday at Millikin Field. Over 200 players representing the 17 Grayling Little League Baseball teams met at the field to receive their sales brochures and other information needed to make this year's fund raiser a success.

This year, the league will be selling items ranging from jars filled with popcorn, snack-mix or hard candy, to sausage sticks and cheese.

Outstanding "Senior Citizen" Nomination

ELSIE REIVE

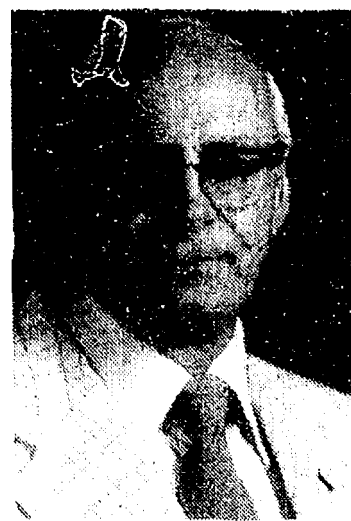

I think Elsie Reive should be Outstanding Senior Citizen for 1983. She is a real good person, loving and reaching out to other citizens. She was a Telephone Reassurance volunteer to other citizens. She volunteers work for the Center by selling tickets at the Grayling State Bank. She is a good listener if anyone just wants to talk out their problems. She is an all around good citizen.

ELMER FENTON

Mr. Elmer Fenton has been a resident of Grayling since 1914. He began teaching in Grayling in 1949 and taught classes for nine years, then was appointed High School principal. He held that position for twelve years and retired in 1970.

In 1971, Elmer helped start the Crawford County Historical Museum and was curator of the museum for twelve years. He also was director of the museum.

Mr. Fenton was instrumental, along with others, in getting the home site of Chief David Shoppenagon designated as a historical site by the State Historical Commission.

In addition to his other accomplishments, he has been on the Retired Senior Volunteer Program Advisory board for 10 years. He has been elected co-chairman for the coming year.

New Security Service Offered to Homeowners

The latest technology available for insuring all your valuables against theft, fire, and other losses is being offered in the Grayling area by Security Training Inc.

Douglas Wallman, owner of the Grayling firm, can video tape every possession in your home while tape recording serial numbers for fast, easy, and reliable information if fire, theft, or another disaster strikes.

Wallman, who earned a law degree from Kalamazoo College and worked in law enforcement for 12 years, says the video tape service beats photographs good hands down. In an hour he says he could video-tape an entire house recording many smaller items that people wouldn't take the time to photograph.

Start adding up \$40 here for a lamp, \$100 for some tools, and the total could mean quite a difference on an insurance settlement.

check. And once you get an insurance check there's no going back and saying "I forgot to add my diamond earrings." Wallman says he's had customers say they were still remembering items they forgot to list on the insurance claims ten years earlier.

The new firm is bonded and licensed by the state and can store the video-tape for customers in a safety deposit box at Roscommon State Bank. Wallman says the service is important in this area where there are many breaking and enterings and wood stoves. He believes the video-taping can be especially helpful for down-state cottage owners.

La Leche League Meeting Notice

If your family is awaiting the arrival of a new member, the Grayling-Roscommon La Leche League meeting: "Baby Arrives; The Family and the Breastfed Baby," may interest you. Informal discussion will center on how to manage those first hectic weeks with emphasis on the entire family as well as timely tips for the nursing mother and baby.

The importance of breastfeeding is stressed, not as an end in itself, but as an integral part of the whole human relationship.

The meeting will be held on Thursday, June 2 at 7:30 p.m. at 11190 Stephan Bridge Road, Roscommon. Expectant mothers are encouraged to attend the series of meetings before the baby arrives.

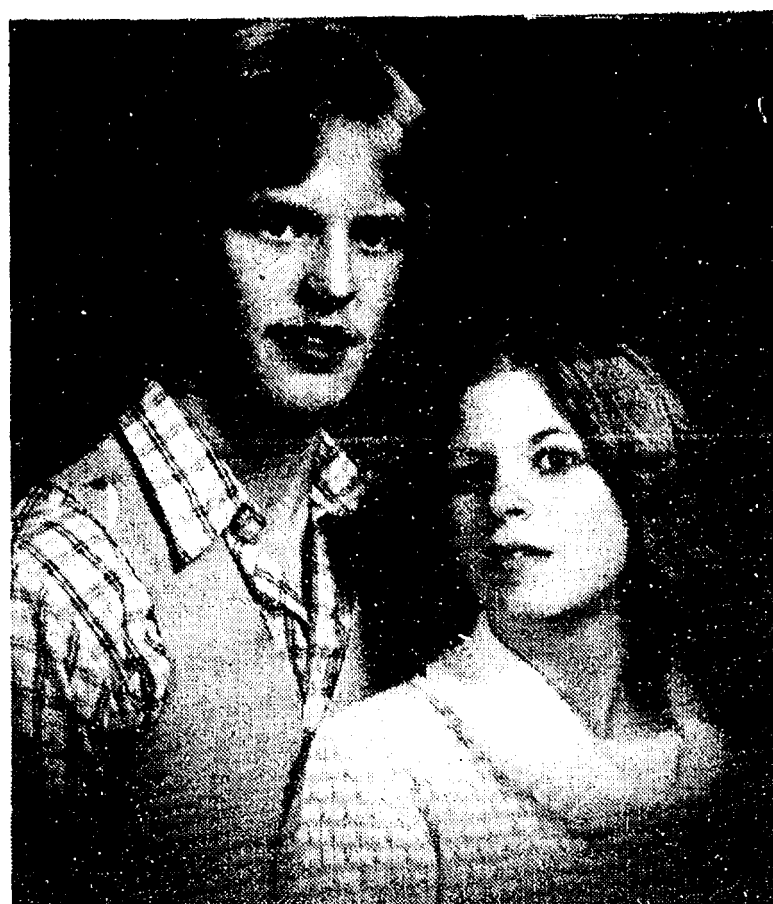

Any woman interested in breastfeeding is welcome; nursing babies are always welcome. For further information, or for breastfeeding help, call Carolyn Crist at 275-8431.

Teachers' Annual Party Held

The eighth annual party for retired and 20-year teachers and staff of the Crawford-AuSable school district was held Saturday evening, May 21, 1983. The delicious ham dinner, which was prepared by Helen Feldhauser and Fern Duncan for the group, was held at the Ingham Street home of Bob and Fay Bovee at 6 o'clock with thirty people attending. An evening of visiting followed.

Coming from out-of-town were Mr. and Mrs. Ralph Miller of Traverse City. Others attending were Mr. and Mrs. Joseph Stripe, Mr. and Mrs. Carl Englund, Mr. and Mrs. LeRoy Akers, Mr. and Mrs. Floyd Millikin, Mr. and Mrs. Bob Funk, Mr. and Mrs. Art Thayer, Mr. and Mrs. Carl Hatfield, Mr. and Mrs. LeRoy Christian, Mrs. Peg Milnes, Mrs. Jean Gothro, Mrs. Ceil Benson, Les Goss, Mrs. Marlene Yoder, Elmer Fenton.

Guests were Dr. and Mrs. Bill Rosin of Portales, N. Mexico, and Mr. and Mrs. Sam Taylor of Grand Ledge. LeRoy Akers will join the committee of Art Thayer and LeRoy Christian in planning next May's get-together.

Word was received from Ken Ashton in Onaway that his wife, Flossie, died in February of this year and word was also received that another retiree, Mrs. Dorothy Whipple of Kalkaska had passed away this past year.

Facts of Law

by
Alton T. Davis, PC
Attorneys & Counsellors
at Law

If you take your watch to the jeweler to be repaired, and he sells it to someone else, you have no recourse against the new owner, but you DO have a claim against the jeweler.

It's against the law to sing in a bar in Wisconsin.

Under no circumstances should you use deadly force to protect your money or property; you may repel an attacker with deadly force only if you believe your life is threatened.

A DEBTOR is one who owes money. The CREDITOR is the one the money is owed to.

Any person 18 years or older may make a gift of his or her body, or any part or organ of it, to take effect upon death, under the Uniform Anatomical Gift Act.

What does the law say? Ask us, at the law office of Alton T. Davis, 114 Michigan Ave., Ph. 348-5232/348-2960.

Blueprint for Family Living

Family life in our country is disintegrating. Divorce rates, juvenile arrests, suicides, child beatings, family fighting, abortions, incest, family drug and alcohol problems, and many other things are replacing love, harmony and security in our homes.

In studying the history of our nation it can be easily detected that we have come to this place at the same rate at which we have removed the Word of God out of our homes and society.

God's Word is indeed a Blueprint for a happy home. God's Word activated by God's Spirit in the life of a family can change that family from a series of tragic experiences into a beautiful family relationship.

But you must plan to spend time together in family prayer, Bible study and other activities. It will not come automatically you will have to plan for it. The Church of the Nazarene recommends that you reserve Monday evenings for the family and do not let anything short of an emergency keep you from your family.

(Sponsored by the Grayling Church of the Nazarene)

OES Activities

On May 18th the Order of Eastern Star honored their Past Matrons and Patrons with a potluck supper at 6:00 p.m. There was a good crowd attended. Afterward we were entertained by June Feldhauser and Mike Servin. Mrs. Feldhauser played the organ and Mr. Servin played the harmonica and saw. They were followed by an organ recital by Mr. John Rushton. An enjoyable evening was had by all.

Blanchard Pledges Jobs, More Business Aid

Warren M. Hoyt, Executive Director, MPA

An economic and jobs program consisting of a dozen major points designed to produce 80,000 jobs this summer and provide long-term stimulus to business was recently announced by Governor James Blanchard.

Blanchard, presenting his proposals to a joint session of the Legislature, said the immediate task is implementation of a three-part assault of Michigan's unemployment crisis to break the fever of joblessness that has raged too long and too high.

One major part of the program is \$300 million in housing and transportation revenue bonds to be coupled with \$500 million in federal funds for public works and construction, creating an equivalent of 20,910 jobs for skilled workers this summer.

The program will be used to weatherize over 13,000 homes, as well as schools and hospitals (qualifications for participation were not announced), build 2,400 homes, resurface 414 miles of roads and bridges and provide \$60 million to localities for road improvements, rehabilitation of 230 miles of railroad track.

Another portion of the proposal includes nearly 60,000 summer jobs on public payrolls at minimum wage through a new Michigan Youth Corps supported by \$75 million in reallocated state funds plus federal funds.

Labor Department Director S. Martin Taylor said 20,000 of those jobs are already provided under a federal employment program.

Projects to be undertaken by the corps include highway and rest area cleanup and minor repair, fix up county fairs, soil conservation, local human service programs, engineering interns, clean up and repair of local public facilities, work in parks, forests, fisheries, waterways.

The vast majority, 43,800 of the jobs would be in the local public services.

Management and Budget Director Phillip Jourdan said the program would be aimed at disadvantaged youths from unemployed families.

The summer program would also include a 100 percent state tax credit for businesses that hire young people for summer work under the provisions of the federal youth employment program. Cost to the state is expected to be about \$1 million.

For the long term, Blanchard said his proposals mean "Michigan will do more to help our business grow and prosper than any state in the country." He pledged to make the state government part of the solution, not the problem.

Those long-term proposals include a Michigan Strategic Investment Fund, unique among the states, supported initially with \$60 million from existing state financing and the new 1983-84 budget.

The fund would include an agency to aid businesses in developing the new products needed to diversify and expand the economy, a loan guarantee fund to aid new businesses in obtaining private financing and supply of venture capital to spur creation of new businesses.

Other parts of the program are providing business tax relief to small businesses, opening six new business assistance centers to help with permits, marketing, planning and exporting, using federal and state funds for a \$175 million jobs training program.

Besides the state program, Blanchard said he would be meeting with other Great Lakes governors to plan a regional strategy for economic development, first in Cleveland in May and on Mackinac Island in June.

BOYS STATE—Juniors Tom Brooks, Dave Reynolds, and Paul Gust, left to right, have been selected to represent GHS at Boys State held this year at MSU June 15 to 22. Sponsoring the boys this year will be the American Legion, Kiwanis, and the Rotary Club.

The crows have been back with us for sometime now and nesting has started. The nesting material, which the female weaves together, was gathered by the male. Three to six greenish-blue, olive-blotched eggs are laid and incubated for eighteen days. Since only one brood is raised a year, the parents spend the rest of the summer raising the young. We often think of the crow as being destructive but studies have shown that from the beginning of May to mid-September, a third of the crow's diet is composed of insects. Most birds will not touch armyworms, tussock moths or tent caterpillars, but the crow seems to enjoy them as he does May beetles and grasshoppers. No other Eastern bird can equal the crow in terms of the quantity of grasshoppers eaten. One research project found that grasshoppers comprised forty percent of the crow's diet. Since young crows need ten ounces of food daily and adults five, a six-member crow family would consume an excess of eighteen hundred grasshoppers daily. That is a whopping forty thousand grasshoppers just while the young are in the nest for three weeks. If the grasshoppers consumed by one nestling were combined, the resultant insect would be twice the size of the crow. Since the crow eats nearly anything, it is actually a benefit to man except on rare occasions.

Cancer Society Offers Patient Services

This year the American Cancer Society has helped many cancer patients in Crawford County with a wide variety of services ranging from equipment loans to rehabilitation programs and even moral support.

The loan closet is one of the most valuable services offered. Equipment is available for loan as long as a patient needs it. Each American Cancer Society Unit maintains a loan closet stocked with such items as bed pans, wheelchairs, dressings, crutches, bed jackets, and even hospital beds. Shirley Rauch is the Service Chairman of the Crawford Unit and maintains the loan closet.

Learning to live with cancer after surgery is frequently a difficult task, and the American Cancer Society offers a number of programs that help cancer patients emotionally and physically. Reach to Recovery volunteers visit women in hospitals after mastectomy surgery and teach exercises to rebuild muscles. They give encouragement and show them that their lives will continue just as they did before the operation. Reach to Recovery volunteers in Crawford County are Mary Noa, Marian Welsh, and Ruth Grutch.

Also available to the public are films for both lay and professional groups on various aspects of cancer, educational literature, and posters on cancer. These are just a few of the things that contributions pay for in the fight to control cancer and improve the quality of life for cancer patients. For information on patient services call Shirley Rauch at 348-9533.

Hello Whitey,
Thought it was time, to tell the National Guard, that there are some of us out here that appreciate what they are doing.

I'm sure they would like some bouquets instead of rotten eggs. I worked on airplanes during World War II, so the sound of those engines overhead gives me a sense of security.

Yes, I much prefer seeing American planes flying over, than to hear the roar of Russian planes.

Crawford County Board of Commissioners

Regular Meeting — April 12, 1983
(synopsis)

The Regular Meeting was called to order by Kitchen at 9:38 a.m. Commissioners Kitchen, Harland, Neilson, Mattis, Miller, Joyce and Welser were present.

Clerk Wieland and several others were also present. Following discussion on rules and procedures adopted in 1981, Robert's Rules of Order, Open Meetings Act, length of time spent on one subject, allowing visitors to carry on in the Board's discussion, Board's parliamentary, Prosecutor's role, and whether tie votes need to be so stated when resulting from a roll call vote, the minutes of 3-31-83 were approved.

The report of claims, vouchers, and per diem was approved as follows: General Fund - \$80,952.41, Fish Hatchery - \$124.19, and Airport - \$2,447.69.

Commissioners:	Salary	Per Diem	Expense
Kitchen	200.00	250.00	
Harland	150.00	210.00	59.40
Neilson	150.00	90.00	11.88
Mattis	150.00	220.00	43.66
Welser	150.00	130.00	3.30
Joyce	150.00	260.00	59.00

Several pieces of correspondence were acknowledged. The communication from Municipal Claims, Serv., Inc. relative to payment of the claim submitted on the truck at the landfill was reviewed. The Loss Funds were split and charged to the respective counties on the same basis as the Landfill Agreement stipulates at the present time instead of coming all from Crawford County. The equipment recently repaired at the landfill is broken down again.

The issue of payment of the outstanding bills of AIS in excess of \$9,200.00 and the fact that the equipment is broken down again was turned over to the Assistant Prosecutor. The Prosecutor will also be instructed to require a statement listing all repair work completed and parts replaced on the John Deere in question.

Committee Reports: Labor - Two grievances have been filed and will be reviewed on April 15.

Dept. of Social Services - Case load is increasing rapidly. 364 new cases since January 1. Clothing is available at the Thrift Shop.

Roads & Bridges - Some repair work is in process on Old 27 South, the class of roads is being changed, and Four Mile is scheduled for widening. Some gravel will be spread in the holes on Jones Lake Road.

Dist. Health - A \$15,000.00 increase in the 1984 appropriation is being requested, one case of TB had been detected, and some contamination in the wells near Cadillac has been noted.

Craw/Kos SCD - Good response to the tree planting program has been received.

Building & Personnel - Purchase of two manuals, a Purchasing Policy manual and a Personnel Policy and Procedure manual was approved.

Law Enforcement - The request for a new deputy (so the Detective program could be reinstated) and the purchase of the hand held communication system presented by Motorola were reviewed. The Sheriff provided the committee with funding proposals for both requests as instructed. The Committee's recommendation to allow the Sheriff to post the position for a new deputy was denied. Purchase of the communication system, a 6-unit PAC-RT Motorola, was referred back to Committee for further review of financing.

Equalization and Apportionment - HB 4211 relative to taxing concessions at airports was reviewed. Consensus of the Board was to oppose said house bill as the results could jeopardize facilities such as ours.

Equalization Director, Larry Hunter, met to present the 1983 County Equalization Report. New construction is \$1,112,000.00, a slight loss is reflected in the ad valorem property, and the Industrial Facilities roll is up. The 1983 Equalization Report was accepted as presented. Mr. Hunter also informed the Board of a request by the state military board of their interest in acquiring approximately 75,000 acres used for military training. This could reduce the number of acres local units receive swamp tax on at the rate of \$1.50 per acre to 10 cents per acre. This transfer could cause a loss of about \$105,000.00 to units of government in Crawford and Otsego Counties. The consensus of the Board was to notify Ostling, Irwin, and Binsfeld, with copies of said correspondence to the DNR and military to request their opposition in such transfer.

Sheriff's report - The Sheriff informed the Board of problems arising at Camp Lehman by the inmates and indicated he felt it was not fair that the County is responsible for prosecution and medical expenses when security is minimal. This matter has been brought to our legislators attention.

Treasurer's report - Treasurer Wakeley gave a synopsis of the release of deferred State Revenue Sharing as submitted by MAC and what to expect in the way of funds for 1983. Three proposals for funding consideration for the Airport were presented. Proposal No. 3 in the amount of \$25,134.00 (based on 2 employees) was adopted. Year end deficits in the Airport and Library Fund budgets were reviewed and transfers from the General Fund to the Airport and Library funds necessary to balance the funds for 1982 were approved.

Transportation Authority Secretary, Ernestine Palmer, presented the 1982 quarterly reports of revenues and expenses of the public transit operation. Mrs. Palmer also informed the Board that an audit is underway.

Jim Tobin, Community Family and Children Services, met to present two proposals of service for County residents by locating a satellite office in Grayling as many clients are presently traveling to Gaylord for counseling. The jail program would provide education being required of inmates and counseling. The individual counseling services provide a wide range of services. The proposals were referred to Finance Committee.

Clerk's report - All committee meetings and various board delegate schedules was requested. Judge Kraus and Judge Walsh met to request consideration of life insurance policies and county paid retirement for District and Probate Court employees the same as the AFSCME employees received. Much discussion was held on past practice of union & non-union employees benefits, cost to county, and the number of employees involved. The issue was referred to Labor Committee.

Brief discussion was also held on the court re-organization, revenues generated from the court systems and the need to have contact with various departments.

Fish Hatchery Committee Chairman, Bob Smock, presented an operating budget for the fish hatchery and gave an update of plans being prepared for the opening this spring. RSPV and Green Thumb workers will be utilized if possible. Some fish have been obtained so far, the vending machines are in, security and electricity are underway. Electricity will be run from the existing DNR building and put on a separate meter for an estimated cost of \$600.00 to \$800.00. Fencing, gates, signs, and a lease for the fish from the trout farm is being drafted. The state will be approached for signs on highways leading into Grayling advertising the hatchery reopening. The Chamber of Commerce will assist with brochures and informing visitors of the hatchery project. A motion to relieve the manager at this time and advertise for 2 weeks was tabled pending legal council.

Committee reports cont.

Resolutions - A resolution submitted by Oakland County Commissioners relative to opposition to HB 4228 - state takeover of courts was supported. Information submitted by the Michigan Association of County Clerks relative to the effect of the 41.6% of tax revenues directed to local units was reviewed.

Insurance - A self-insurance program for hospitalization is now underway. Consideration should be given to this prior to future negotiations. Coverage for the Transportation Authority is being obtained so the Authority can be charged for their share of premium.

DPW - Carl Robinson was named foreman of the joint landfill and John Miller was appointed Chairman. Engineering will be completed soon. Otsego County has submitted their share of the outstanding repair bills.

Zoning Comm. - The present zoning ordinance does not speak to wood product processing plants. The matter was referred to the Zoning Commission to consider amendments to the zoning ordinance to incorporate wood and forestry products.

Finance - The 1984 budget for allocation board is being prepared.

Plan. Comm. - The land resource use inventory map is completed.

Manpower - A computer demonstration was highlighted.

Housing Rehab. - The minutes of the Housing Commission meeting of 4-7-83 were received and placed on file.

New Business:

The County's appointment to the Allocation Board was discussed. The first session is next Tuesday. Bernard Maurer was unanimously appointed to the Allocation Board.

Robert Gottfried was appointed to the Planning Commission.

The purchase of 3 map sections from surplus equipment for

a total of \$102.00 was approved and the old obsolete leather bound law books will be donated to the historical museum.

Old Business:

The request from the Prosecutor's Office to consider the secretary position a full time position was granted.

Announcements: Members were reminded of the workshop scheduled at the Holiday Inn on May 2 and 3 sponsored by the Michigan Cooperative Extension Service. It was the consensus of the Board that any Commissioner able to attend be so authorized and to notify the Clerk for submission with the proper fee. The Treasurer will be consulted prior to the May tax sale relative to bidding on choice property listed for tax sale.

Adjournment: Meeting adjourned at 6:02 p.m.

Special Meeting
April 18, 1983
(synopsis)

The Special Meeting was called to order by Kitchen at 10:38 a.m.

Commissioners Kitchen, Harland, Neilson, Mattis, Joyce, Miller and Welser - present.

Clerk Wieland, Bernard Fowler and Barry McGuire also present.

Invocation by Mattis.

Special Meeting was called for the purpose of appointing a representative to the Allocation Board as Bernard Maurer is not eligible.

Harrison Goodhue was unanimously appointed to the 1983 Tax Allocation Board.

Brief discussions held on a variety of topics including: Tax Allocation, the Building Authority, entrance roads to the landfill site, extra law books, replacement of the flags, regional correction facilities, extension of Federal Revenue Sharing entitlement periods, and self-insurance coverage for other county related entities.

Grayling Supervisor informed the Board of a meeting set up in Lansing on April 27 to discuss the request by the military for acquisition of state land used for their training. Legislation to increase military rate of 10 cents per acre to \$1.50 per acre will be pursued.

Meeting adjourned at 11:55 a.m.

Regular Meeting - Crawford Co. Board of Commissioners
April 28th, 1983 - Synopsis

The April 28th meeting of the Crawford County Board of Commissioners came to order at 9:35 a.m. All commissioners were present all day except Joyce, who was absent, and Miller who arrived shortly after roll call. Nine visitors appeared at various times throughout the day.

Minutes of 4/12/83 were approved as presented. Minutes of 4/18/83 were approved, providing the reference to Otsego County be deleted from Mr. Hunter's report on the DNR/Military Board land transfer.

A request from Asst. Prosecutor Sabin to attend an Advanced Prosecutor's Training Seminar at a cost of \$70.00 was approved, after which thirty one pieces of correspondence were reviewed. Among these was a letter from Governor Blanchard's office notifying that State Police Budget cuts, which the county opposed, had been reduced from \$6 million to \$5 million. The Board then asked Mattis to direct the Sheriff to re-apply for Crawford County's lost 55 mph funds. The ballot for the Chamber of Commerce Board of Directors was also addressed, with Jess Bircher, JoAnn Cox, Paul Mesack and Larry Raymond receiving the most votes from a slate of eight candidates.

Under committee reports:

The Labor Committee remains in mediation on the Teamster Contract.

The Dept. of Social Services is considering computerizing data, and more small counties may be sharing DSS directors in the future.

The first Judicial Committee meeting was well attended. Items discussed were: Court reorganization - The State takeover of courts would be phased in at 20% per year for five years. Court rooms, office space and security would remain county responsibilities, and personnel would be State funded. Also discussed was court employees participation in county retirement and life insurance, cost of deputy overtime for court duty, cost of witness fees and transcripts for indigents, and use of courtrooms for other than court proceedings. The latter is allowed as long as courtroom rules are not violated.

The next IDC meeting will be 6/19/83 at City Hall, and officers elected in Sept. will assume office in Oct.

The Mental Health Committee of MAC, along with MAC legal counsel and the Mich. Sheriff's Association have combined efforts to oppose the requirement that two police officers accompany persons for psychiatric evaluation, and the use of distant, rather than area, facilities for this purpose. Opposition is based on cost.

Roads and Bridges reported that a tree-planting project is underway on I-75, and that more funds may become available for some side roads due to road reclassification.

RC&D has been asked by the DNR to secure sponsors for seeding and covering behind the landfill. The DNR requirement that the old landfill site have a clay covering was also discussed.

Bruce Reynolds of Dist. Health Dept. No. 1 has indicated he will not approve a request for enlargement of the septic system at Grayling High School to accommodate a possible middle school addition, since he originally opposed the present system because, in his opinion, it posed a threat to the ground water.

Seven persons have requested soil analyses from Soil Conservation.

The 2nd Region of MAC is recommending a resolution to abolish presidential primaries, and a motion passed the Board directing Crawford County to do likewise.

Under Building & Personnel, the Board accepted the low bid of Tom Schans Plumbing and Heating for four water closets for the jail at a price not to exceed \$5,087.00, including labor and permits.

Under Law Enforcement, the Board authorized the purchase of six Pac RT repeaters (hand-held radios) at a total cost of \$16,574.00, with a downpayment of \$4,575.00. The balance of \$12,000.00 is to be financed at 7% for three years through Gaylord State Bank, which responded with the lowest interest bid of the five local institutions surveyed. In addition, approval was given to hire one additional road deputy until 12/31/83, to allow for reinstatement of the detective program. The cost for the remainder of 1983 will be \$13,400.00. The lein machine has been installed in the Sheriff Dept., and the Sheriff and three commissioners will attend a Jail Conference May 12th in Lansing.

The Equalization & Apportionment report revealed that the possible transfer of lands in Crawford & Otsego Counties is only in the inquiry stage, and that the lands amount to just over 61,000 acres as opposed to 75,000 as earlier thought. Potential revenue loss is now approximately \$113,840.00 to local units. Our legislators are pursuing the possibility of amending legislation which would raise the tax on military lands to equal that paid on state lands, so that any such transfer would not impact the quantum of payments in lieu of taxes to local units. Such an amendment would actually increase revenue to local units by \$34,000.00, even if the transfer does not occur.

The Fish Hatchery, scheduled to open May 21st, needs \$650.00 for electricity hookup. The Board did not appropriate the monies, and funds will be sought elsewhere. Commissioner Welser offered his help with the hookup. RSPV will provide personnel for the information center, and security personnel are being sought through the Green Thumb Program. A tabled motion to relieve the Fish Hatchery Manager of his duties and advertise the position for two weeks was reconsidered, and defeated. A 3/31/83 motion, which required that all hires, project requests, and purchases at the Hatchery be reported to the Finance Committee and pre-approved by the full Board of Commissioners was rescinded, after a motion to table the issue failed for lack of a second. The Building & Personnel Committee will meet to investigate Board liability and determine appropriate Board policy regarding the Fish Hatchery operation.

The Insurance report included a notification to commissioners that the experience of other counties indicates that errors and omissions policies will not cover commissioners acting independently.

The DPW report included an update on landfill subsidies provided by other counties, a report that the John Deere is presently working, and the filing of the 1982 Landfill Financial Statements. A meeting composed of AIS, the full Board of Commissioners, landfill employees and the Landfill Board will be scheduled shortly. A resolution drafted by Welser designed to expedite finalization of the Landfill Agreement was referred to the Assistant Prosecutor for an opinion.

Having previously posted for interest, the Board appointed Norman Bancroft to the Building Authority. Robert Gottfried to the Housing Commission and Joseph Mercedith to the Transportation Authority.

Lou Ann Taylor, Senator Binsfeld's District Representative, appeared to discuss issues and hear local concerns. Items discussed included: The likelihood of a reapportionment before summer adjournment of the legislature, how this will affect sitting legislators, the opposition to the state income tax hike, the Headlee Amendment as it relates to Dept. of Correction mandates, the status of the Separate Statehood and Blanchard recall petitions, concerns over costs incurred in psychiatric evaluations and Crawford County's interest in regaining lost 55

mph funding.

In other business: The Treasurer notified the Board that some file cabinets without locks had been placed in the clerk's vault for security during evening hours; a motion was passed reinforcing the obligation of committee chairpersons to take and file minutes of all standard and special committee meetings; and a report was given on a meeting with the Assistant Prosecutor, at which questions on parliamentary procedure were resolved. Meeting adjourned at 6:05 p.m.

Jacqueline A. Bonkowski, Deputy Clerk

May 10th, 1983 - Synopsis

The May 10th, 1983 Meeting of the Crawford County Board of Commissioners was called to order at 9:35 a.m. with all commissioners present but Miller, who arrived at 10:05 a.m. Fifteen visitors attended at various times throughout the day.

The minutes of 4/28/83 were approved, with Neilson's vote on the purchase of the Pac RT Repeater corrected from aye to nay, and the word "annually" inserted after the \$34,000.00 in the Equalization and Apportionment Report. The 2/24/83 minutes were also amended, correcting identification of the 4-D Dozer on pg. 19 to the 644 Loader.

Monthly General Fund expenditures of \$46,255.22, Airport bills of \$4,532.75 and Fish Hatchery vouchers total \$74.31 were approved as presented. Commissioners' expenses were: Salary, Kitchen - \$200.00, and \$150.00 each for Harland, Neilson, Mattis, Welser and Joyce. Miller - none. Per diems were: Kitchen - \$360.00, Harland - \$340.00, Neilson - \$230.00, Mattis - \$310.00, Welser - \$220.00, Joyce - \$330.00 and Miller none. Expense reimbursement were: Harland - \$100.83, Neilson - \$30.36, Mattis - \$170.79, Welser - \$6.60, Joyce - \$105.77, and Kitchen and Miller none.

Included in the twenty nine pieces of correspondence reviewed were: a request for an additional phone jack for the Health Department, which was approved, provided District Health pay installation costs - notification that the county will be reimbursed for a phone bill incurred by a jail inmate; and a resolution from Mecosta County requesting State legislators to reject their automatic 1984 salary increases. The latter was supported by the Board.

Addressing the Board were:

Dr. Frykberg of NEMCOG who provided an update on the availability of EDA grant monies. \$281.9 million is available with much of that targeted at high unemployment areas.

Owen Cummings, Mich. Municipal Risk Management Authority Attorney, explained limits of coverage under the county's self-insurance plan. The \$10 million liability covers personnel acting within the scope of their employment only, and provides no coverage for malicious, wanton or willful acts which violate public law.

Asst. Prosecutor Sabin discussed revisions the Board requested in the Crawford/Otsego Landfill Agreement, and rendered the opinion that commissioners may serve on a Board of Public Works, provided only per diem and not a salary is paid. He also clarified an agreement he had proposed, earmarking incentive monies from welfare fraud prosecution for the purchase and maintenance of office equipment in the Prosecutor's Office. The Board approved the agreement. They further requested that he research the consequences of abandoning the landfill, and directed the Prosecutor's Office to pursue funding from the State under Headlee for the cost of test monitoring wells mandated by the DNR at the landfill.

Prosecutor Huss advised the Board of a settlement offer from Xerox regarding cancellation of the lease agreement on the copier. He was directed to continue pursuing termination under the terms of the contract.

Douglas Dossan, Grayling Township Attorney, requested, and received, a waiver of County Planning Commission review of a proposed amendment to the 1966 Grayling Twp. Zoning Ordinance, rezoning 2 1/2 acres on Sandy Trail from R-1 to P-1.

Tom Schans of Schans Plumbing & Heating assured the Board that the water closets he is installing in the jail will comply with both the State Plumbing Board and Dept. of Corrections regulations, and that his original bid price has not changed.

Treasurer Joe Wakeley reported that, because Maple Forest Twp. failed to spread the Bradford Lake special assessment in 1982, there are no monies in the Drain Fund to meet the April 15, 1983 drain orders. The Board moved to request Maple Forest Twp. Officials to advance the \$3,133.36 to the Drain Fund until they spread two years' special assessment on the Dec., 1983 tax rolls.

Committee Reports:

The Chairperson announced a change in the membership of the Labor Committee to Harland, Mattis and Kitchen. The committee's May 9th negotiations were cancelled.

A Resolution was passed to Abolish Presidential Primaries, and to change the Finance Committee of the Board to a Statutory Finance Committee. The latter was designed to clarify and expedite the procedure for approving bills.

The Planning Commission is beginning its review with urban areas, and has established specific goals.

The eight county area under the Northeast Mich. Manpower Consortium has been designated a Service Delivery Area under JPTA, and \$200 million in JPTA funds are earmarked for Michigan. The Consortium is also updating the county's 1980 Equal Opportunity Affirmative Action Plan.

The Council on Aging RSVP Awards Dinner is scheduled for May 20th, 1983.

There are enough HUD monies in the Community Development Committee Fund to begin considering low interest loans to persons or businesses otherwise unable to secure financing. Pursuant to a request from the committee, the Board approved the appointments of John Alef Jr. and Bonnie Yates to three-year terms on the Community Development Committee.

Plans by North Central Mich. Mental Health for establishment of a Teaching Family Home in Cadillac has drawn neighborhood opposition and threats of legal action.

The Insurance Report noted that the Joint Powers Agreement of the Michigan Municipal Risk Management Authority has been amended to specifically state that Crawford County is covered for any incident occurring on military property. Also, an amendment is being drafted which will waive the \$50,000.00 deductible for property loss after the second occurrence in any given year.

The subject of bathroom facilities and a telephone at the landfill were discussed under the DPW Report, along with the necessity for job descriptions for landfill employees.

A request for a Special Use Permit in Frederic Twp. will go to a Zoning Commission Public Hearing May 11th, 1983.

In other business, the Board appointed Jerry Morford and Kathy Burkley to the County Election Scheduling Committee, and adopted the 1984 Tax Allocation Budget in the amount of \$2,525,150.00. Meeting adjourned at 5:10 p.m.

Road Commission Minutes

April 8, 1983

A regular meeting of the Crawford County Road Commission was held in their office in Grayling. Vice-Chairman Parker presiding. Present were: Commissioners Grover Cason and Norman Parker, Engineer-Manager John Keir and Acting Secretary Joanne Turner. Absent: Chairperson Kraus.

The minutes of the previous meeting of March 25, 1983 were read. Commissioner Cason made a motion to accept the minutes as read, seconded by Commissioner Parker. All voted in favor, minutes approved.

Payroll Voucher Number 8 in the amount of \$19,216.31 and Material Vouchers Numbers 178 through 229 in the amount of \$19,455.41 were presented to the Board for payment. Commissioner Parker made a motion to accept the vouchers for payment, seconded by Commissioner Cason. All voted in favor, vouchers signed.

A motion was made by Commissioner Parker and supported by Commissioner Cason to close the doors for discussion of union negotiations. All voted in favor. Doors closed.

The doors were opened and the following permits were reviewed: Amoco Production for the clearing of saplings on Deward Road in Frederic Township. Consumers Power Company to install primary pole on South Madsen Road and also on Roberts Road, both in Grayling Township. General Telephone Company to bury communication cable on Jones Lake Road in Grayling Township. All permits were approved and signed.

Acting on a request from the Michigan Department of Transportation it was decided to prepare bid advertisements for the construction of a 2000 ton state-funded salt shed to be erected on Road Commission property.

A discussion was held on the railroad crossing on Pioneer Road.

A motion was made and supported to adjourn the meeting. All voted in favor, meeting adjourned.

New Hillside Farm Open Free to Public

"Children who come to visit hate to leave. They never get enough of the baby animals," Carolyn Boone says.

Bill and Carolyn Boone, who own the Hillside Farm at the end of Sandy Trail east of Grayling, have opened their doors free of charge to the public. Families are welcome to visit the farm any day from 9 a.m. to 9 p.m.

"Children just love to feed the baby animals," Carolyn says. "And for some of the children, it's the first opportunity they've had to see farm animals."

She says the baby chicks and lambs along with young horses - only a few weeks old -

are the favorite among children. There's also ducks, geese, turkeys, sheep, goats, cows, a pig, a guinea hen, and a friendly collie dog.

Already a senior citizen group, nursery school classes, and COOR students have scheduled visits to the farm.

"We don't have any spectacular animals, but so many people nowadays don't have a chance to see any farm animals."

Hillside Farm had their grand opening Saturday and also unveiled their greenhouse with flowers, shrubs, and trees available.

Republicans To Meet

The Crawford County Republican Committee will hold a meeting on Wednesday, June 1st at the Courthouse.

The meeting time is 7:30 p.m. The public is invited.

Grayling Elementary School

Mrs. McEvers' fourth grade class is studying honey bees. They hope to have a special beekeeper come in and speak. They are learning about all kinds of honey bees. They also are learning about what a certain bee does. They are going to learn how bees help humans. Also, they are going to have a film strip about bees. They are going to draw diagrams of the bee's body. They are going to learn the function of the bee's body parts. By Toye Sheldon and Nicole Trenary, 5th grade.

In Mr. Hatfield's class they are working with encyclopedias. They look up any subject they want to write about. They write about it and then draw a picture to describe what they wrote about. Some of the things they wrote about are lizards, dogs, flowers, birds, and other stuff. By Jennifer Naur and Paula Nunn, 6th grade.

A change of reading groups is taking place in Mrs. Benson's third grade.

In the third grade they are going to have a spellingdown against Miss Johnson's class. And the five winners are Jordan Stencil, Aaron Raymond, Jenny Pinkbeiner, Scott Haas, and Angie Thompson.

They are also making a matrix of multiplication in math.

In English class the children are writing to the Chamber of Commerce of many cities. Now they are busy receiving mail from other states.

We also received a letter from Tina Darling, a former student who moved to Dansville, Michigan. We wrote back to her. By Jeff Cowie and Richard Barkway, 5th grade.

VISIT KINDERGARTEN ROOM—Recently Patty Timmins, on the left of the above photo and two of her friends, Shannon Phillips and Becky Brooks, paid a visit to Mrs. Slater's kindergarten room to show her students what they had done as students of Mr. Hayes' fourth grade class.

Patty wrote a tongue twister while Shannon and Becky wrote stories. Each of the girls had drawn visual aides to enhance the writings.

Becky's story was about two little girls, Lisa and Jill who transplanted a flower from the wild and treated it as a pet. Shannon's story dealt with a tiger who was very gentle and loved people.

The Gym Teacher

There was once a gym teacher who had a hundred children to teach. The next day when they came to school she said, "Today we will play on the jungle gym, and we will also do gym jumps. For snacks we will have jelly jumping beans and gym cookies, and we will have our gym nap and when we have to go home we will do our gyming goodbye gymslim handshake."

Now we come to the end and so that's all the gymgym words I have to say so gymgoodby.

Chamber Chatter

By Joyce Koika

As the vacation season approaches, the Chamber has seen a large increase in the number of mail and telephone inquiries about lodging and recreational activities. While most of the calls are from downstate, and adjoining states, there are some from more distant locations. Last week the most distant call was from Independence, Missouri.

The Chamber is now sponsoring a weekly outdoor report on WKXN Radio in Saginaw. The spot is aired twice weekly and provides listeners in the tri-cities area with current information on things to do outdoors.

A lengthy article appeared recently in the South Bend Tribune dealing with the AuSable and Manistee Rivers. It discussed the advantages of the two streams for their recreation possibilities. The piece was written by Jim Hall, Director of the East Michigan Tourist Association. It was an article that one could not really afford if it were to have been charged at advertising rates.

Speaking of promotion, a few more features have been suggested about our area to TV stations and hopefully they will be using them in the near future.

The new area recreation booklet is expected to be published about June 15th. It will contain articles about individual outdoor sports as well as descriptions of types of businesses in the county dealing with the tourist industry.

The Board of Directors of the Chamber met recently in a day long workshop to lay plans for the coming year. Committee chairpersons were elected and the summer plans were discussed. Attending the meeting were new board members Paul Mesack, Larry Raymond, JoAnn Cox and Kathy Ashton. Also attending were Judy Gibbons, Joe Wakeley, Norma Naour and the chamber staff. President Ernie Dawson chaired the annual workshop.

On another subject, a recent meeting of the Milltown Committee finalized times for many of the events that will occur during the nine day affair. The remaining events will be scheduled at the June session of the committee.

Speaking of the Milltown Festival, a reminder again that a Roast Beef Dinner sponsored by the local unit of the National Guard will be held May 27 from 5-8 p.m. at the new armory. Proceeds from the affair will go toward financing the Milltown Festival.

A hearty congratulations to Michigan's new Adjutant General, Vernon Andrews. His appointment by Gov. Blanchard was announced last week and certainly he will become a more familiar person in this area during his tenure in office. For those who have not met the general, he has been the assistant division commander of the 38th Infantry Division and resides in Lansing.

A reminder again that the summer National Guard Military Reception will be starting about mid June. Guard officers and non-commissioned officers are our guests at these affairs. As hosts we are asked to pay for each of the receptions we attend. If any local residents are interested in attending any or all of these receptions, please contact the Chamber office for details. Phone 348-2921.

Reception Dates are:

June 13 - Indiana EM - Penrods Canoe Livery
June 16 - Indiana Officers - Grayling Country Club (NNB)
July 11 - Ohio Sm. EM - Carlisle Canoe Livery
July 14 - Ohio Sm. Officers - Borchers Canoe Livery
July 25 - Ohio Lg. EM - Ray's Canoe Livery
July 28 - Ohio Lg. Officers - Gaylord State Bank
Aug. 8 - Michigan Officers - Grayling State Bank
Aug. 11 - Michigan EM - Jolly Redskin Canoe Livery
Aug. 22 - Reserves EM & Officers - Carr's Canoe Livery

A hearty welcome to new Chamber Members, Beverly Home Health Care of Gaylord, Eleanor Leinonen, Director. They along with a number of other Gaylord businesses have seen fit to join our chamber to reap the benefits of cooperative promotional ventures. Other new members this week are Richard and Donna Schnoor, new owners of Long's Canoe Livery. Their grand opening will be Thurs., May 26th at 11:00 a.m. Pete and Ann Latusek of Grayling Power and Equipment are also new members in the Chamber. We certainly welcome all of them and invite them to take part in our meetings and social functions.

This week the Chamber honors Col. Ivan Gwilt, Commander of Camp Grayling, our local National Guard. Col. Gwilt is a Chamber Board Member and actively participates in all chamber functions. He is presently chairman of the Milltown Festival, a really big undertaking. With his personality, he keeps his committee working willingly and in harmony. How can anyone resist his beautiful smile! This is your week, Col. Gwilt. Live It Up!

What does a man mean when he says, "Let's get down to brass tacks"? He means that he thinks it's time to discuss the real issue.

And that's always a good idea! Nothing is gained by "beating around the bush." Wise men seek the issue . . . and settle it!

In America there are millions of people who attend and support the Church. There are other millions who do not. What is the real issue on which these two groups disagree?

This is the issue: Is man the self-sufficient master of his world, able to overcome every problem by his own strength . . . OR is man the noblest creation of an all-powerful God, weak in the face of life's turmoil when he stands alone, but strong when he joins heart and hand with God?

You're a man and you've seen something of life! Getting down to brass tacks . . . are you stronger WITH GOD or without?

Mercy Hospital Employees Honored

"To provide medical care to the sick in a health setting is a complex task compared to a decade ago. This complexity has been greatly heightened in significant ways by research, scientific and medical advances including the evolution of technology. One factor remains constant, however. There can be no substitute for the individual who evaluates, diagnoses or cares for a person who is ill. "The many advances have enabled greater accuracy in diagnoses and promoted the rapidity with which an individual can arrive at the best mode of treatment. All of these advances come with a price which further contributes to the complexity of caring for sick people. Given some of these facts, it is important for us to pause and give credit to the committed, competent and caring individuals who comprise the staff of Mercy Hospital in Grayling."

Paul Lerg, who has been the chairman of the Divisional Board at Mercy Hospital since 1979, continued his remarks. "You have fostered the continued commitment to the patients in the physical, psychological, sociological and religious environment of a hospital. Mercy Hospital has progressed because of your commitment."

This year, during National Hospital Week, 73 employees were honored at a recognition banquet. Award pins with a model of the Mercy Cross were presented by Sister Mary Hilda Duffey, President and Chief Executive Officer, and Frances Lewis, Vice President. Paul Lerg, chairman of the Divisional Board, gave the main address. Other Vice Presidents who assisted in the presentations were Robert Rettenmaier and James Packard. Chief of Medical Staff, Doctor C.L. Gosling, and wife were also present. R. Duane Nimke, Executive Vice President, was the Master of Ceremonies.

Among the honored guests were six employees whose service to patients totaled over 180 years. Mary Noa has devoted 40 years of her life as Head Nurse at Mercy Hospital. Katherine Nave was recognized for 35 years of caring for people in the Surgery Department. Richard Niederer, Maintenance Worker, was recognized for 30 years.

Three employees have served Mercy Hospital and other divisions of the Sisters of Mercy Health Corporation for 25 years. They are Juanita Gibson, William Isenbauer and Hazel Young. Other honored employees included:

TEN YEARS

Mary Allen, Martha Austin, Doris Bancroft, Jayne Barber, Thelma Bebow, Shirley Clark, Hazel Crowell, Gloria Dana, Thomas Dana, Rachel Dene-witt, Ann Fick, Dula Fitzpatrick, Rosemary Gallagher, Alfred Harland, Miriam Haskel, Janet Hatfield, Jini Hindmarsh, Inez Hirvela, Gail Hunter, Charles Langenderfer, Anita Laurent.

Also Jacqueline Lepsy, Priscilla Lopinski, Muriel Marshall, Bernard Maurer, Bruce McGuire, Walter Neilson, R. Duane Nimke, Marge Noyes, Rosetta Perry, Arlene Peters, Debra Rouse, Sister Mary Justine Sabourin, R.S.M., Sister Mary Boniface Schmenk, R.S.M., Burdett Scott, Ruth Siderman, Barbara St. John, Mary Jane Thayer, Mary Kay Thomas, Natalie Tinker, Maureen Wejrowski, Linda Welch, Pamela Wonders.

FIFTEEN YEARS

Sister Mary Hilda Duffey, R.S.M., Jerimae Golinick, Jeanette Huffman, James Ott, Clifton Papendick, Mary Perry, Erna Putnam, Martha Reichelderfer, Anna Rozenek, Jaclyn Ruddy, Neva Schornack, Norma Secord.

TWENTY YEARS

Employees receiving bronze plaques in recognition of years of service: Thelma Bebow, Rachel Dene-witt, Sister Mary Hilda Duffey, R.S.M., Ann Failing, Laverne Gugin, Roberta Hauxwell, Inez Hirvela. Also Marian Martzowka, Bernard Maurer, Marge Noyes, James Ott, Mary Perry, Arlene Peters, Ruth Siderman, and Mary Jane Thayer.

Other honored employees: Helen Blake, Ellen Carlson, Bernice Hilton, Thelma Hunter, Margaret Jensen, Joseph Kessler, Irene LaRush, Dorothea Latimer, Alma Sheehy.

A special thank you to Christina Nimke who designed the award pin.

Set Milltown Festival Activities

The Milltown Festival Arts and Crafts displays will be lining Michigan Ave. in record numbers this year.

According to Nancy Hatfield, chairperson for the Aug. 5-6 affair 130 invitations to participate have been sent to a large variety of talented persons. She said that many reservations for space have already been made.

Included in the versatile lineup thus far is a person who paints scenes on old cross cut saws and another who makes a specialty out of woodcrafting toys and household items. Also included in the booth lineup to date is old fashioned rag dolls, many sewing crafts and oil painting artists.

Mrs. Hatfield said that some local arts and crafts people may have been missed in the invitational mailings and if that is the case she can be contacted at 348-9769. She noted that reservations should be made as soon as possible to obtain preferred space.

Notice of Mortgage Sale

400 RECEIVE FINGERPRINTS—More than 400 children were fingerprinted through a Grayling City Police program last week. Chief of Police Pete Stephan helps a small boy record the fingerprints. Parents were given the fingerprint sheets afterwards.

Memorial Day Chicken Roast

On Monday, May 30th, beginning at 11:30 a.m., the United Methodist Men's Club of the Michelson Memorial United Methodist Church will hold a Chicken Roast on the law of the Church. They will serve: Roast Chicken, Cole Slaw, Homemade Baked Beans, and Home-baked pies. The proceeds will go to the Plagen's Youth Fund for the summer camp program.

Donations will be: \$3.00 for adults, \$1.75 for children 12 & under.

In case of rain, the Chicken Roast will be held in the Fellowship Hall of the Church.

Thank You, Red Cross Blood Donors!

One Hundred and Fifty of you generous and responsible people came to Grayling High School last Wednesday, May 18th to donate a pint of your precious life saving blood!

That is the largest Blood Bank ever held at our High School and is the largest bank in Grayling in the last five years.

Great credit is due to Miss Gina Bidwell, Grayling High School Senior who was the Coordinator of this Bank and to all her devoted co-workers of the High School Student Body.

This is Miss Bidwell's last turn as Coordinator of the High School Blood Bank and she certainly is going out with flying colors! All of Crawford County Chapter/American Red Cross Volunteers salute her for this outstanding accomplishment.

And the Chapter, particularly, wants to commend her - and thank the Commandant and Officers of Camp Grayling - for her recruitment of National Guard personnel to donate blood at this bank.

Miss Bidwell was most ably assisted by Gina Medley and Carol Longworth in this very successful achievement and Red Cross is looking forward to the 1984 School Year when they will be the Co-ordinators for the November 1983 and the March 1984 Red Cross Blood Banks which will be held at Grayling High School.

District Court

Calvin Boyd, 20, a Camp Lehman inmate, was bound over to Circuit Court on a charge of armed robbery. No bond was set.

Daniel Wakeley, 29, of Grayling, was bound over to Circuit Court on a charge of larceny from an auto. \$100 cash bond was set.

David Surink, 35, of Cadillac, was bound over to Circuit Court on a charge of receiving and concealing stolen property valued more than \$100. \$2,500 personal bond was set.

Michael Wargo, 21, of Frederic, plead guilty to a charge of disorderly person by intoxication in a public place and endangering self and others. He was fined \$85 or 10 days. He was cited April 17 by sheriff deputies.

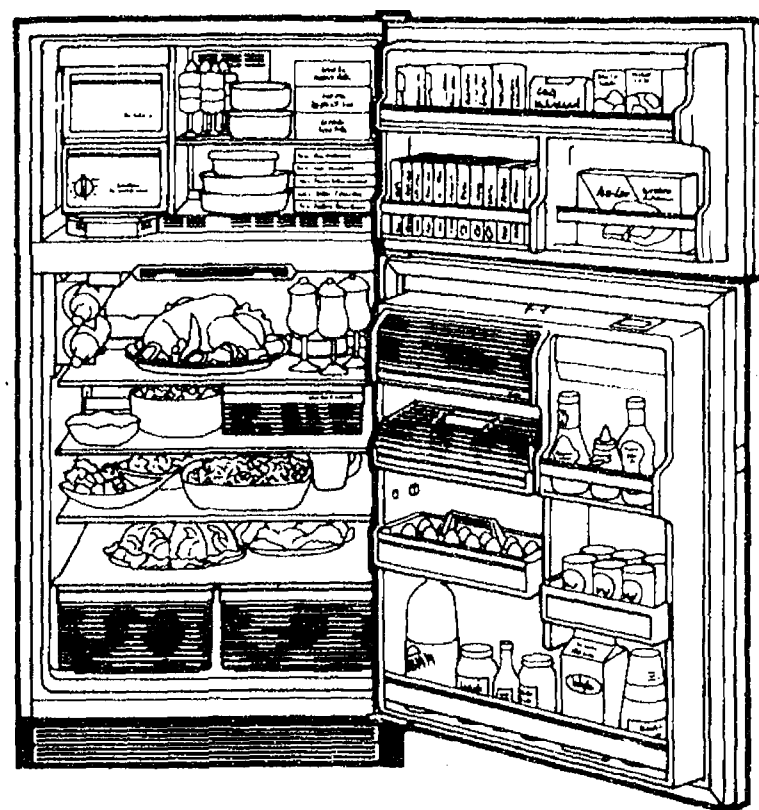

George Boltz, 24, of West Branch, plead guilty to a charge of disorderly person and was fined \$85 or 7 days. He was cited April 30 by Grayling city police.

CARD OF THANKS

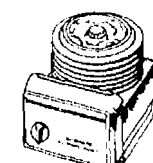

I would like to take this opportunity to thank all of my relatives, friends and neighbors for visits & cards while at Munson Medical Center.
